

Appendix one showing a much more complete list of fish species found in Spain – than limited space allows in my title ‘The essential Guide to Coarse Fishing in Spain’.

→ FISH SPECIES

(V = vulnerable, T = threatened, N = native, * = introduced species,
E = endemic, found nowhere else, Cat = Catalonia, Eusk = Basque region,
Gal = Galicia)

alburno*: bleak (*alburnos alburnos*)

aguja de río: Black-striped pipefish (*Syngnathus abaster*), Catalan name is *Agulleta de riu*, can tolerate margins of salt lakes for example, close to Torrevieja (N)

alosa: (N) Twaité shad (*Alosa fallax*) Cat. Saboga vera, Eusk. Astouna, Gal. Saboga.

anguila: eel (*Anguilla anguilla*) Eusk. Aingira, Gal. Anguia, irsa, also known as A. catarrojina, A. fartona, A. maresa, A. pastorena, A. pugaron, A. Europa (N)

bagre: Common (European) chub (*leuciscus cephalus*) (N)

barbo: barbel

barbo cabecicorto: Smallhead Barbel (*Barbus microcephalus*) (N) (T)

barbo de cola roca: Orange Barbel (*Barbus haasi*) (T) (E)

barbo comiza: Iberian barbel (*Barbus comizo*) (T) (N)

barbo común: Boca Barbel or Snouted Iberian barbel (*Barbus bocagei*) (N)

barbo gitano: gypsy barbel (*Barbus sclateri*) (N)

barbo de Graells: Graell's Barbel (*Barbus graellsii*) (E)

barbo de montaña: Mediterranean Barbel (*Barbus meridionalis*) (N)

barbo Mediterráneo : Guiraonis Barbel (*Barbus guiraonis*) (T) (E)

bermejuela: Galician or Red Roach (*Chondrostoma arcasii*), nase species found in Duero River basin. Cat. Madrilleta. Gal. Peixe Escalo. Eusk. Errutilo hegatsgorria (T) (N)

blacbás* (pronounced *blasbas*): American largemouth Black bass (*Micropterus salmoides*)

blica*: Silver bream (*Blicca bjoerkna*)

bobi: Rock Goby (*Gobius paganellus*) (N)

boga de río: Iberian Nase (*Chondrostoma polylepis*) (N)

boga del Guadiana: Wilkomm's Nase, (*Chondrostoma wilkommii*) also known as Guadiana Nase(. Also found in Odiel, Guadalquivir, Guadalete, Guadiaro and Guadalhorce river basins, and in Portugal. (T) (N)

boga del Duero: Duerien Nase (*Chondrostoma duriense*) (T) (N)

bogardilla: dace or chub species (*Iberocypris palaciosi*) (T) (E)

bordallo: dace/chub species (*Leusiscus carolitertii*) (N)

brema blanca*: white bream (*Blicca bjoerkna*)

cacho: Pyrenean dace or Iberian chub (*Leusiscus pyrenaicus*) (N)

cacho: European chub (*Leusiscus cephalus*) Cat. Bagra, Eusk. Katxoa, Gall. Peixe de rio, Escalo (N)

cachuelo: pint-sized carp(*Squalius pyrenaicus*) (N)

calandino: Calandino roach (*Leusiscus alburnoides*) (T) (N)

cangrejo*: American red crayfish (*Austropotamobius pallipes*)

carpa*: common carp (*Cyprinus carpio*) Eusk. Zamo arrunta

carpa de espejo*: Mirror carp (*Cyprinus carpio*) Cat. Carpa, Eusk. Zamo arrunta, Gal. Carpa. Sometimes referred to as "Raza de Galitzia"

carpin*: Crucian carp (*Carassius carassius*) Cat. Carpi, Eusk. Zamo txikia

carpin dorado*: Gold fish (*Carassius auratus*) Cat. Carpi daurat, Eusk. Zamo eguski txikia

cavilat: Common bullhead (Sculpin) (*cottus gobio*) (N)

chantito *: Chameleon cichlid (*Australoheros facetus*)

colmilleja: Marsh/Spined loach (*Cobitis taenia*) Cat. Rabosa (T) (N)

coto común: Bullhead (*Cottus gobio*) Cat. Cavilat (N)

doadrio: Iberian Carpdace (*Iberocypris palaciosi*) (E)

dorado: goldfish (*Carassius auratus auratus*) also known as *pez rojo*

dorada: gilt-head bream (*Sparus aurata*)

escardinio/gardí*: rudd (*Scardinius erythrophtha*) Cat. Gardi

espinoso: Stickleback (*Gasterosteus aculeatus*) Cat. N Espinós, Eusk. Arrain hiruarantza, Gal. Espiñeiro (N)

esturión, Sollo: sturgeon (*Acipenser sturio*) Esturión común, Cat. Esturío, Eusk. Gaiztaka, Gal. Sollo Rei, fiaile: mummichog (T) (N)

fartet común: Iberian toothcarp (*Aphanius iberus*) (T) (N)

fraile: or Blenio, (*Salaria fluviatilis*) freshwater blenny (N)

fúndulo*: Mummichog (*Fundulus heteroclitus*)

galúa blanca : Sharpnose Grey mullet (*Liza saliens*) or leaping mullet. Other names: Galúa negra, Ilisa de cap giquet, Ilisa fusany, Catalan – Llissa fusany (N)

gambusino*: mosquitofish (*Gambusia affinis*)

gambusia*: Eastern mosquitofish (*Gambusia affinis*) Cat. Gambússia

gobio*: gudgeon (*Gobio gobio*) Cat. Gobi

ilissa calua negra: Thinlipped Grey mullet (*Liza ramado*) other names - Capiton, Galupe, Ilisa aguda, Ilisa cap plá, Lisa, Lizarra, Morragute, Mujol, Mule, Muxo, Sama, Yama, Catalan – Cap-pla, Llisa de cap pla (N)

ilissa dorado: Golden Grey mullet (*Liza aurata*) other names – Alise, Dabeta, Galupe, Iliça, Ilissa, Lisa, mule , Lizarda, Muxo salton. Catalan – Galta roig

ilissa lobarrera: Flathead grey mullet (*Mugil cephalus*) or Striped Grey mullet, other names – Mule , Albur, Bullûa, Cabeçut, Cabezudo, Cachamba, Capitán, Galupe, Iliça de cap gros, Iliça sabado, Illissa lobarrera, Lisa, Lisa común, Lisa pardete, Lizarra, Mugil, Mugil común, Muxo, Pardete, Catalan – Lissa Llobarrera.(N)

ilissa morruda: Boxlipped Grey Mullet (*Oedalechilus labeo*) – Caluga (N)

jarabugo: Spanish minnow (*Anaocypris hispanica*) (T) (N)

joell/pejerrrey : Big scale silverside – (*Atherina boyeri*) (N)

lamprea de arroyo: Brook lamprey (*Lampetra planeri*)

lamaprea de río: River lamprey (*Lampreta fluviatilis*) Cat. Llampresa de riu, Eusk. Itsas lamproia, Gal. Lampreia (N)

lamprea marina: Sea lamprey (*Petromyzon marinus*)

lamprehilla: spined loach type

lamprehuela: Lamprehuela loach (*Cobitis paludica*) also known as Colmilleja (T) (N)

lobo de río: Stone loach (*Noemacheilus barbatulus*) also known as Locha de roca and Pez lobo (N)

loina: Arrigon / Júcar Nase (*chondostroma arrigonis*) (T) (N)

loina de Turia or Madrilla: Turia nase (*Chondostroma turiense*) (T) (E)

loina del Ebro or Madrilla: bleak type Spanish Nase (*Chondostroma miegii*) (N)

lubina: European Sea Bass (*Dicentrarchus labrax*) Cat. Llobarro, Eusk. Lupina arrunta, Gal. Robaliza (N)

lucio*: pike (*Esox lucius*) Cat. Llui de riu, Eusk. Lutxo arrunta

lucio perca*: zander (*Sander lucioperca*)

madrilla: French nase (*chondrostoma toxostoma*) Cat-Bagre, Eusk – Loina txikia (V) (N)

muble: Thicklipped Grey mullet (*chelon labrosus*) other names – Lisa, Catalan – Llissa vera, Navarra – Corcón O Lisa (N)

pardilla: mini-carp (*Iberochondrostoma lemmingii*) nase sub species, found in Ruidera lakes (V) (N)

pejerrey: Mediterranean Sandsmelt (*Atherina mochon*) Cat. Asset, Jovell, Eusk. Abixoi txikia, Gal. Pión (N)

perca*: perch (*Perca fluviatilis*) Eusk. Perka.

perca americana*: American largemouth Black bass

pescadilla: whiting (*Merluccius merluccius*)

pez gato*: Black bullhead (catfish) (*Ameiurus melas*)

pez rojo*: Goldfish (*Carassius auratus*) Cat. Peix roig, Eusk. Urre bermella

pez sol / perca-sol*: Bluegill Sunfish aka pumpkinseed fish (*Lepomis gibosus*)

róbalo: sea bass

raboseta: Spined loach type (*Cobitis paludica*) found in Ruidera lakes and Albufera de Valencia (V) (N)

reo: Sea Trout (*Salmo Trutta fario*) Trucha marina, Cat. Truita de mar, Eusk. Itsas Amuarraina, Gal. Reo (N)

rodeo: Bitterling (*Rhodeus sericeus*)

rutilo*: roach (*Rutilus rutilus*)

sábalo: Allis shad (*Alosa alosa*) Cat. Guerxa, Eusk. Kodaka, Gal. Samborca (N)

saboga: Twaite shad (*Alosa fallax*) (N)

salmón del Pacífico*: rainbow trout (*Oncorhynchus mykiss*)

salvelino*/Trucha de Fontana*: Brook trout (*Salvelinus fontinalis*) Cat. Truita de rierol, Eusk. Amuarrain Kanadiarra, Gal. Truita

samarugo: Valencian toothcarp (**Valencía hispanica**) Cat. Samaruc (N)

siluro*: Wels catfish (*Silurus glanis*) Cat. Silur, Eusk. Silurua

tenca: tench (*Tinca tinca*) Eusk. Tenka (N)

tenca dorada : Gold Tench (*Tinca tinca*) Cat. Tenca daurada, Eusk. Tenka eguski (N)

trucha arco iris*: rainbow trout (*Salmo gairdneri*) Cat. Truita irisada, Eusk.

Amurrain ortzadarra, Gal. Troita arcoiris

trucha común parda: Brown trout (*Salmo trutta fario*) Cat. Truita de riu, Truita comuna, Eusk. Ibai Amuarraina, Gal. Troita (V) (N)
